MotionComfort

15.0" - 16.4"

Classic Toploader for Notebooks up to 16.4"

This classic Toploader looks outstanding at any business meeting. The MotionComfort 15"-16.4" has a spacious Notebook compartment with effective HDF cushioning (High-Density Foam) surrounding your Notebook to ensure that it is perfectly protected. Your computer is simply inserted from the top and is securely stowed away. Power supply units and cables can also be conveniently stored in the Notebook compartment. Additional documents can be stored in the separate document compartment on the back of the case. The wide-opening zips ensure that documents are conveniently to hand at all times. The workstation in the front pocket provides space for pens, a mobile phone, keys and other accessories. This well-designed Toploader is functional and a perfect companion for when you are on the move. The comfortable carry handle (neoprene), the adjustable shoulder strap as well as the trolley fastening strap on the back of the case ensure optimum comfort.
